From the District Deputy

Brethren:

As we move into the Spring season, I see a renewal of our craft.

The Grand Master at his reception reminded us of our past history and that we are looking to the future with a positive mind-set about our gentle craft. Young men are interested in what masonry is about. What we are, who we are, and the search for information is at an all time high in this modern time of electronic information.

We have to be ready for these young men when they ask us about our craft. The old idea of: if we tell you we will have to kill you, is sometimes humorous, but far from what these well educated young men want or need to hear? They are looking for some grounding in the fast paced life they live. Masonry could be the answer they are seeking.

When we wear our ring, place our square and compass on our vehicles, people do notice. Brethren you are our best advertisement of what being a Mason is. Keep that in mind when you are out among the public, as we are noticed and our actions can form positive or negative perceptions of us a Masons and about our Order.

You my brethren are the front line ambassadors of our craft you are the people that these young men will talk to first. Remember your obligations and try to the best of your ability to live up to them. Be that great shining example that will prove a benefit to our craft.

Sincerely and fraternally
R.W. Bro. Albert W. Stonier

A MESSAGE FROM THE GRAND SECRETARY

Brethren

Your Grand Lodge responds to out of Ontario disaster relief requests by donating funds to; **the Masonic Service Association of North America**. This ensures all monies donated go directly to the affected Grand Lodges for disbursement to those in need.

On March 22, 2011 we received an appeal for Relief from M.S.A. for New Zealand and Japan. Quote:

Memo to: All Grand Secretaries of North America

“Many parts of the world are experiencing horrendous weather patterns. None have suffered more than the countries of New Zealand and Japan. This appeal is being put out on behalf of both of those countries.

When remitting funds to M.S.A., in response to this appeal, please mark clearly on the cheque how you wish the funds designated. If you do, be assured the funds will be distributed exactly as the donor requests. If no designation is made the funds will be distributed equally between New Zealand and Japan.

Please forward to M.S.A. such funds, as you feel appropriate to help our devastated Brethren and their families in these stricken jurisdictions. Please make cheques payable to, “**the MSA Disaster Relief Fund**” and send to 8120 Fenton Street, Ste. 203, Silver Spring, MD 20910-4785.

Thank you very much for your help. Most sincerely and fraternally, Richard Fletcher, PGM Executive Secretary.”

Unquote.

Brethren, please ensure that all lodges, in the District you represent, are apprized of the content of this email.

Fraternally yours,

Terence Shand

V.W. Brother Clair Bracken

Friendship Lodge No. 691

Biography Of A Boy From Manitoulin

by W. Bro. Garry L. West

Clair Bracken was born in Gore Bay, Ontario in January of 1938. He was raised on a large dairy farm. Dairy farming being what it is, there was always a lot of work. The farm gave him a lot of life experience so that by age 10, he was driving horses and tractors.

Clair got his first Driver's licence at age 15. Due to the amount of work to be done and the fact that his whole family had such a strong work ethic, Clair was employed on the farm when he wasn't in school. Then at age sixteen, he worked through the summer holidays as an assistant vendor (a bonded position) at the L.C.B.O. store. During the summers following, he drove the passenger and mail bus daily (another bonded position) between Little Current and Gore Bay.

In 1957, at age nineteen, after he had completed Grade 13 at Gore Bay High School, Clair moved to Sudbury to begin a career at INCO. At that time, mining companies were having difficulty attracting young engineers. The company hired six high school graduates to train as "company engineers" through correspondence courses and on-the-job training.

Clair started in the Smelter Research Department and eventually worked in every department at every plant. His experience led him to the newly-formed Combustion Department when natural gas was first introduced to the Inco Complex. Taking night courses at Cambrian College resulted in several licenses for fuel-burning equipment. This ultimately led to the Utilities Department where boilers were being converted from waste heat and fuel oil, to burn natural gas. Clair's experience on boilers led to more courses at Cambrian College, where he received his First Class Stationary Engineer's Certificate. When Clair retired in 1992, with thirty-five years of service, he was Chief Engineer of the Milling, Smelting and Matte Processing Complexes.

Clair is married to Sheila and they have six children, four girls and two boys. Sheila has owned and operated her own retail business for thirty-five years. She has Fashion Fair Ladies' Wear in the Lively Plaza.

Three of their girls are nurses and one is an accountant. The oldest boy is a welder/painter for a local steel company and the other boy is a Sergeant in the Canadian Armed Forces. They have thirteen grandchildren and three great grandchildren.

Clair joined Friendship Lodge on February fourteenth, 1968, Passed to the Second Degree in May and Raised to the Sublime Degree of a Master Mason in October of 1968. He was Installed as Worshipful Master in 1977. Clair served as District Secretary in 1982-83. In July 1983, he was appointed a Grand Steward of the Grand Lodge of Canada in the Province of Ontario.

Clair has remained active in Friendship Lodge and the Masonic community. He has served in every office in Friendship Lodge except Historian as well as various committees. He has delivered nearly all the rituals at one time or another. Most telling of the respect in which he is held by his fellow Lodge Members is that Clair has been Installing Master for seven Masters in the Sudbury-Manitoulin District.

Clair initiated the Friendship Lodge "Adopt a Road Program" in 1994, which continues today. He has been Chairman of Friendship Lodge's Past Master's Association since its inception in 1978 and arranges for the Harold Waller Award presentation to a member "who shows great commitment to Friendship Lodge or the Craft in general". Clair also served as Sudbury-Manitoulin District Chaplain in 2009.

Clair joined the Scottish Rite in North Bay in 1973, and then became a Charter Member in Sudbury Valley when it was formed. He became a Member of the North Bay Chapter of Rose Croix and then a Member of Moore Sovereign Consistory in November of 1980. Clair has taken an active part in four degrees in the Sudbury Lodge of Perfection since its formation.

Clair has been a Member of Ramses Shriners and the Sudbury Shriners Club since 1990. He is currently the Club's Historian. In 2010 he became a Member of the Tuscan Chapter No. 95 Royal Arch Masons and is now a junior officer. He is also a member of the Mavar Preceptory No. 65 Knights Templar.

Clair's father and two uncles were Masons, as are his two brothers and his son. Brother Doug is a Past Master of Espanola Lodge, and Clair's brother Dennis is a Member of Friendship Lodge. His son Bradley is currently Junior Deacon of Espanola Lodge.

Clair's family is a very important part of his life as we see in his following comments.

Continued on next page...

"When my children were young, I spent a lot of time at the arena where my son played hockey and the girls figure skated. I coached minor league hockey for several years and coached minor league baseball in the summer. The summer weekends were spent at our cottage at Tobacco Lake near Gore Bay.

Fifteen years ago, I entered my family in a Family Blooper Ball Tournament in Nairn Centre, three years in a row. It was great to see brothers and sisters, husbands and wives, children and grandchildren all out for a fun event with Nana and Poppa.

When the house was purchased on Simon Lake in Naughton, the usual water equipment was obtained, canoes, paddleboat and motorboat and later when the back yard pool was installed, the family flocked to spend time with Nana and Poppa.

Every weekend is busy, and several times a year arrangements are made for everyone to be present for a day of fun and barbequing and card games.

Our family members are great supporters of Friendship Lodge's Golf Tournaments and Ladies Nights, and usually fill a couple of tables at any event. Great times, great pictures, great memories."

When Clair retired from Inco, he started a woodworking business. Many Sudbury homes have examples of his fine workmanship in custom-built furniture.

Clair is a member of All Nations Church and is very active in the church. He has been a leader of bible studies for ten years. He is currently volunteering at Extencicare York, as he has for the last seven years. He started by portering residents to a Protestant Church service every Thursday, and is now regularly rotating as a Pastor, delivering a sermon every fifth week while still portering residents.

Clair always finds time to help his children and grandchildren but still keeping up with his Masonic duties. Clair is quite clear that he only accomplishes this because of his wife's love and patience.

Our younger members can benefit from his example. Clair shows that even with a career like his, in which he rose to the highest levels by means of a strong work ethic and an obvious ability to be well organized, he was able to make an important contribution to the development of his family, the community, and yet be a good Mason.

All in all, a good man to know and one we can be proud to say is a Brother in Masonry.

W. Bro. Doug Bracken, V.W. Bro. Clair Bracken, and Clair's son Bro. Bradley Bracken

THE ROYAL AND SELECT MASTERS OF ONTARIO CRYPTIC RITE

Alpha Council No. 23 R.S.M.

Congratulations to Companion John Richer on being honoured with the Super Excellent Master Degree on Saturday, March 26th 2011.

The Cryptic Rite consists of the Royal Master, Select Master and the Super Excellent Master degrees. The focus of the Royal and Select Master degrees is a secret vault beneath the Temple of Solomon. “Cryptic” means “hidden” from the Latin crypticus, meaning “subterranean” or “concealed”. Vaults beneath many churches are called “crypts”. The expression “Cryptic Mason” means, therefore, “Masonry of the Secret Vault.

The Super Excellent Master was not originally a part of the Cryptic system, and is still not presented in all jurisdictions. It enlarges upon the section of the Royal Arch having to do with the capture of Jerusalem by the Babylonian King and the final destruction of the first Temple.

It is not a degree in the Crypt, it does not deal with Ancient Craft Masonry, but it has been described as “the best devised, most impressive and beautiful ritual in Masonry.” The great lesson is about fidelity to a trust.

Knights Templar District Meeting

Algoma District Knights Templar held their annual district meeting at the Belrock Masonic Centre on Saturday, March 19th 2011. Knights from Sault Ste. Marie, Timmins, North Bay and Sudbury participated in a Memorial Service prior to the meeting.

The Masonic Knights Templar Orders are part of a progression from the first three degrees of Freemasonry. Membership thus involves several prerequisites:

- You must have received the Supreme Degree of the Holy Royal Arch of Jerusalem, the final degree of Royal Arch Masonry, and be a member in good standing of a Chapter of Royal Arch Masons.
- Membership in a Royal Arch Chapter requires that you have been raised as a Master Mason in a Craft lodge and be a member in good standing of a Masonic Craft lodge.

Orders are portrayed by Templar Knights wearing traditional costumes. Each order advances the new Knight through the trials of the Crusades culminating with the Order of the Knights of the Temple.

INTERNATIONAL PEACE GARDEN

Tourists ponder the beauty of the two floral designs of the American and Canadian Flags, the only two floral designs that remain the same each year.

The International Peace Garden is 2,339 acres situated on the border between Manitoba and North Dakota, on the longest north-south road in the world and almost at the geographic centre of North America. It was dedicated on July 14, 1932 and has become a living monument symbolizing the two nations living in harmony along the longest unfortified boundary in the world. The Garden is a non-profit organization supported by, among others, several fraternal organizations: Freemasons; Order of Eastern Star; Oddfellows; Rebekahs; Daughters of the British Empire (IODE), and Knights of Columbus.

The International Peace Garden Lodge of Freemasons formed in 1993 with Warrants granted by the Grand Lodges of Manitoba, North Dakota and Minnesota. The Grand Lodge of Saskatchewan became a chartering Grand Lodge in 2000 by motion of the members. Its purpose is "to promote and enhance fraternal

relations among Freemasons of North America and to assist in the expansion and maintenance of the International Peace Garden."

Membership in the International Peace Garden Lodge of Freemasons is open to any Master Mason for a once-in-a-lifetime fee of \$50.00, providing the Mason is, and remains, in good standing in any jurisdiction in the world which is recognized by the chartering grand jurisdictions. At the time of this writing, total membership is over 835 with members from Canada, the United States, Great Britain, Norway, Australia and the Bahamas.

Membership fees are placed in trust and may not be used for any purpose other than to generate interest which is used to defer operating expenses of the Lodge and other such expenditures as may be approved at the annual communication.

An annual meeting is held at the Peace Garden, usually in the Burdick Center for the Performing Arts, on the Saturday before the second Sunday in August, with arrangements in charge of the Chartering Grand Lodges on a rotating basis. Officers' titles and positions as well as the customs correspond to those of the Chartering Grand Lodge in charge of the arrangements in any given year.

The meeting deals with regular business and includes an inspirational speaker. Following the meeting, Masons and their ladies, usually enjoy some entertainment and a lunch in the Masonic Auditorium. If the meeting is tyled (for Masons only) there is a program arranged for the ladies.

The \$775,000.00 Masonic Auditorium was dedicated in 1981 as a centennial project of the 20,000 Masons of Manitoba and North Dakota. It is built in the shape of the Square and Compasses and has seating for 2,000. It is the only building of its kind in the world.
