From the District Deputy

Welcome Back.

As we start another new Masonic year full of anticipation of things to come, and reflection upon what is in the past, we must all strive to make our own daily advancement in Masonic knowledge

On the next two pages you will find the District Trestle Board and I encourage you to come out to lodge and enjoy the fellowship and work of the evening. Many special evenings are planned and your participation will help make them great evenings.

In my last message, I congratulated a number of our members on their accomplishments and was not aware of one at the time of the printing. Today I offer sincere congratulations to Bro. Gerry Lougheed, Sr., on being a recipient of the Queens Jubilee Medal. Bro. Lougheed has been a member for more than 60 years and is truly deserving of the Queen's recognition for what he has done for our community.

It is an exciting time, with exciting opportunities. Freemasonry, the world's oldest personal development fraternal organization, has been helping good men improve themselves for hundreds of years. Never more have our values been so needed in this ever changing world. Respect, dignity, proper communication, and reliability are traits we should all enjoy as people. Masonry ensures that they aren't lost in this ever changing world.

I look forward to meeting each and every one of you during the next couple of months. I am...

Sincerely and fraternally,
Keith I. Jordan

Celebrating 50 years in Freemasonry

Bro. Gordon Matheson of Nickel Lodge No. 427 received a visit to his home from W. Bro. Stephen Fleming, Bro. Craig Yeates and R.W. Bro. Robert Fleming over the summer months.

The brethren presented Bro. Matheson with his Grand Lodge 50 pin and a framed certificate from the lodge commemorating his long service to Freemasonry.

After the presentation they spent time with recounting his years in Masonry and his work with the Copper Cliff Police Force, then with Inco in the Safety & Health Department.

Bro. Matheson is unable to attend Lodge as he visits his wife every evening in Pioneer Manor.

CHILDREN'S COMMITTEE

The Children's Committee has had a busy summer with seven children travelling to the Montreal Hospital for surgeries or examinations and two Telemedicine Clinics that resulted in one new patient.

Our Club also helped a local family with a donation from our club Benevolence Fund toward the purchase of a special tricycle for their son who has Cerebral Palsy. The Children's Treatment Centre recommended the tricycle toward strengthening the 4-year old boy's legs.

From Imperial Potentate Jack Jones

I am happy to report that yesterday afternoon, July 24, Imperial Potentate Al Madsen met with the Grand Master of Michigan, Dean Barr, in Traverse City,

Michigan. ... As a result of that meeting the Grand Master has restored full recognition of the Shrine in the great state of Michigan; all four Shrine temples in that state can now resume normal operations. I am pleased that once again we are a part of the masonic family in Michigan. I would ask that the recorders of all Shrine temples ensure that their Potentate and other divan members be notified of this important information.

Yours in the faith, Jack H. Jones, PIP Imperial Recorder Executive Vice President/COO Shriners International

THE 100 MILLION DOLLAR CLUB

It takes over \$3.3 million dollars a day to operate the 22 Shriners Hospitals for Children. The medical care given through this Shriners Hospital network has cured or substantially helped more than 700,000 children - without cost to them or their families.

The money to operate these 22 hospitals comes from several sources: the \$5 annual hospital assessment paid by each Shriner; monies raised by Shrine fund-raising events such the East/West Shrine Football Game and Shrine paper sales; and income from the Shriners Hospital for Children Endowment Fund.

The endowment fund provides approximately 90 percent of the hospitals' operating incomes. This fund is supported by the gifts and bequests of **Shriners** and **non-Shriners** alike. As hospital costs climb and Shriners Hospitals continue to provide more specialized care and conduct more research, the financial need increases.

Too many people, both **Shriners** and **non-Shriners**, believe that if they cannot donate or leave a large sum or money, their gift will not count. Obviously, every contribution helps. *In order to encourage Shriners and non-Shriners to contribute to Shriners Hospitals for Children*, the **HUNDRED MILLION DOLLAR CLUB** was established in 1972. The club got its name from its goal of adding 100 million dollars to the endowment fund *through gifts or bequests of \$100 or more.*
